Alive Piers Paul Study Guide Introduction

Alive

The #1 New York Times bestseller and the true story behind the film: A rugby team resorts to the unthinkable after a plane crash in the Andes. Spirits were high when the Fairchild F-227 took off from Mendoza, Argentina, and headed for Santiago, Chile. On board were forty-five people, including an amateur rugby team from Uruguay and their friends and family. The skies were clear that Friday, October 13, 1972, and at 3:30 p.m., the Fairchild's pilot reported their altitude at 15,000 feet. But one minute later, the Santiago control tower lost all contact with the aircraft. For eight days, Chileans, Uruguayans, and Argentinians searched for it, but snowfall in the Andes had been heavy, and the odds of locating any wreckage were slim. Ten weeks later, a Chilean peasant in a remote valley noticed two haggard men desperately gesticulating to him from across a river. He threw them a pen and paper, and the note they tossed back read: "I come from a plane that fell in the mountains . . ." Sixteen of the original forty-five passengers on the F-227 survived its horrific crash. In the remote glacial wilderness, they camped in the plane's fuselage, where they faced freezing temperatures, life-threatening injuries, an avalanche, and imminent starvation. As their meager food supplies ran out, and after they heard on a patched-together radio that the search parties had been called off, it seemed like all hope was lost. To save their own lives, these men and women not only had to keep their faith, they had to make an impossible decision: Should they eat the flesh of their dead friends? A remarkable story of endurance and determination, friendship and the human spirit, *Alive* is the dramatic bestselling account of one of the most harrowing quests for survival in modern times.

Miracle In The Andes

In October 1972, Nando Parrado and his rugby club teammates were on a flight from Uruguay to Chile when their plane crashed into a mountain. Miraculously, many of the passengers survived but Nando's mother and sister died and he was unconscious for three days. Stranded more than 11,000 feet up in the wilderness of the Andes, the survivors soon heard that the search for them had been called off - and realise the only food for miles around was the bodies of their dead friends ... In a last desperate bid for safety, Nando and a teammate set off in search of help. They climbed 17,000-foot-high mountains, facing death at every step, but inspired by his love for his family Nando drove them on until, finally, 72 days after the crash, they found rescue.

Cue for Treason

Fleeing from the evil Sir Philip Morton, Peter Brownrigg finds himself on the wrong side of the law. On the run to London he meets Kit and the two decide to stick together. But a chance discovery endangers their lives and soon Peter is deep in murderous plots, secrets and even treason. Set in the turbulent days of Elizabeth I, this classic story of danger and intrigue conjures up a world of mystery, twists and turns and thrilling action.

Art of Survival

"This is a gripping and heartrending recollection of the harrowing brink-of-death experience that propelled

survivor Roberto Canessa to become one of the world's leading pediatric cardiologists. Canessa played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. This fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity gives vivid insight into a world famous story. Canessa also draws a unique and fascinating parallel between his work as a doctor performing arduous heart surgeries on infants and unborn babies and the difficult life-changing decisions he was forced to make in the Andes.\"--Provided by publisher.

I Had to Survive

The dramatic, ultimately tragic history of the Knights Templar, the largest and most powerful military order of the Crusades. Sifting myth from history, Piers Paul Read reveals the Templars - the multinational force of warrior monks, in their white tunics with red crosses over chainmail. They were not only unique among Christian institutions but constituted the first uniformed standing army in the western world and became pioneers of international banking. Expropriated by Philip IV of France in 1307, and confessing under torture to blasphemy, heresy and sodomy, the Order was finally suppressed by Pope Clement V in 1312. In a narrative that incorporates the story of the crusades and the many colourful characters who had links with the Templars, Piers Paul Read examines the question of their guilt and identifies their relevance to our own times.

The Templars

Intelligent, ambitious and a rising star in the French artillery, Captain Alfred Dreyfus appeared to have everything: family, money, and the prospect of a post on the General Staff. But his rapid rise had also made him enemies - many of them aristocratic officers in the army's High Command who resented him because he was middle-class, meritocratic and a Jew. In October 1894, the torn fragments of an unsigned memo containing military secrets were retrieved by a cleaning lady from the waste paper basket of Colonel Maximilien von Schwartzkoppen of the German embassy in Paris. When French intelligence pieced the document back together to uncover proof of a spy in their midst, Captain Dreyfus, on slender evidence, was charged with selling military secrets to the Germans, found guilty of treason by unanimous verdict and sentenced to life imprisonment on the notorious Devil's Island. The fight to free the wrongfully convicted Dreyfus - over twelve long years, through many trials - is a story rife with heroes and villains, courage and cowardice, dissimulation and deceit. One of the most infamous miscarriages of justice in history, the Dreyfus affair divided France, stunned the world and unleashed violent hatreds and anti-Semitic passions which offered a foretaste of what was to play out in the long, bloody twentieth century to come. Today, amid charged debates over national and religious identity across the globe, its lessons throw into sharp relief the conflicts of the present. In the hands of historian, biographer and prize-winning novelist Piers Paul Read, this masterful epic of the struggle between a minority seeking justice and a military establishment determined to save face comes dramatically alive for a new generation.

The Dreyfus Affair

How can you stand strong in your faith? Packed with charts, time lines, and maps, this 6-session inductive Bible study provides a close up look at the life of the Apostle Paul and shows how to apply his message of encouragement and perseverance to your life today. Covering Paul's persecution of Christians to his martyrdom, this visual Bible study is packed with thought-provoking questions and commentary. This study will show you how Paul persevered through trials, found contentment, and fearlessly proclaimed the Gospel. Features include: 6-session, flexible Bible study (30-minutes long with extension options) Includes over a dozen pictures, charts, maps, and more Leader's guide is included within each study guide, so no extra book purchase is required Discussion questions for each session, lots of space for writing, optional reading plan Most Bible studies don't include visuals. Imagine having one that does! Perfect for group and individual use, young adult study, homeschool, church library, to give to a friend, and more! Get an In-Depth Overview Into

the Life of Paul Shipwrecked. Arrested. Beaten—there's no doubt Paul suffered on behalf of the gospel. An archenemy of the early Christians who became a great Christian missionary and the author of thirteen books in the New Testament, Paul and his letters speak profoundly to us centuries later as the inspired word of God. The study brings to life the struggles and circumstances of Paul's life, his courage in the face of persecution, and his relentless mission to spread the good news of Jesus. In this 6-session study, you'll cover: Paul's Unexpected Journey: On the Road to Damascus Paul's Mission to Proclaim the Gospel Paul's Dispute with the Jerusalem Council Paul's Disruptive Message Paul's Arrest, Trials, and Imprisonment Paul's Final Years: In Chains for Christ

The Life of Paul Bible Study

Study guide for The Life and Theology of Paul includes lesson objectives, message outline, study questions, and discussion questions. Suitable for individual or group study.

The Life and Theology of Paul

A riveting account of the chilling precursors and deadly aftermath of the 1986 Soviet nuclear disaster from the bestselling author of *Alive*. This highly readable and deeply researched exposé draws upon unclassified data from the former Soviet Union and a wealth of firsthand interviews to give a complex and human account of one of the worst nuclear catastrophes in history. Starting in 1942, when a young Russian physicist named Georgi Flerov warned Stalin that the Americans were building an atomic bomb, author Piers Paul Read recounts the birth and growth of atomic energy in the USSR—and the construction of the V. I. Lenin Nuclear Power Station at Chernobyl. Embedded in this story are the KGB cover-ups, power grabs, safety oversights, and risky decisions that set the stage for the explosion of the station's fourth reactor on April 26, 1986. According to Soviet authorities, only thirty-one people lost their lives due to the Chernobyl disaster, but its consequences were far too big for even the Kremlin to sweep under the rug—though the authorities certainly tried. Radiation burns and nuclear debris could not be concealed, and the cloud of radioactive material spewing from the damaged reactor was monitored throughout Europe. In the areas most immediately affected, there was a leap in the incidence of thyroid cancer. Moment by moment, Read takes us through the chaos and horror of the meltdown, and voice by voice, he records the stories that reveal the lasting repercussions of that day. Set in a regime where demotion was considered a fate worse than death and silence had the power to kill, *Ablaze* tackles the social and technological chain reactions that wreaked havoc not only on the USSR's power supply but on the strength and stability of the nation. It is a must-read for anyone interested in Soviet-era history or the promises and perils of nuclear power.

Ablaze

Alice Fry, a free-thinking woman who is rejected by Edward Cobb, the eligible son of an ambitious baronet, builds a new life for herself in Russia during the Russian Revolution and World War I.

Alice in Exile

The book of Philippians flows with joy, inspires gratitude, and imparts central doctrines of faith. Written by the apostle Paul while held captive in a prison cell, his letter to the Philippians celebrates victory, unity, and harmony, teaching us how to live together in the body of Christ. This 12-lesson study guide on the book of Philippians provides a unique and welcoming opportunity to immerse yourself in God's precious Word as expressed in The Passion Translation®. Begin your journey with a thorough introduction that details the authorship of Philippians, date of composition, first recipients, setting, purpose, central message, and key themes. Each lesson then walks you through a portion from the book and includes features such as notable verses, historical and cultural background information, definitions of words and language, cross references to other books of the Bible, maps, and character portraits of figures from the Bible and church history. Enrich your biblical understanding of the book of Philippians, experience God's love for you, and share his heart

with others.

TPT The Book of Philippians

The apostle Paul led a dramatic and fascinating life from his conversion on the road to Damascus to his imprisonments to his speeches in the public square. His letters shaped the believers in the early church just as they do today. In this ten-session LifeGuide® Bible Study by Jack Kuhatschek we will survey both the highlights of his life and the core teachings in his writings. PDF download with a single-user license; available from InterVarsity Press and other resellers. For over three decades LifeGuide Bible Studies have provided solid biblical content and raised thought-provoking questions—making for a one-of-a-kind Bible study experience for individuals and groups. This series has more than 130 titles on Old and New Testament books, character studies, and topical studies.

Paul

On 12 October 1972, a Uruguayan Air Force plane carrying members of the 'Old Christians' rugby team (and many of their friends and family members) crashed into the Andes mountains. *I Had to Survive* offers a gripping and heartrending recollection of the harrowing brink-of-death experience that propelled survivor Roberto Canessa to become one of the world's leading paediatric cardiologists. Canessa, a second-year medical student at the time, tended to his wounded teammates amidst the devastating carnage of the wreck and played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. This fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity gives vivid insight into a world famous story. Canessa also draws a unique and fascinating parallel between his work as a doctor performing arduous heart surgeries on infants and unborn babies and the difficult life-changing decisions he was forced to make in the Andes. With grace and humanity, Canessa prompts us to ask ourselves: what do you do when all the odds are stacked against you?

I Had to Survive

On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia. In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the \"New People,\" displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. \"Stay alive, my son,\" he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.

Stay Alive, My Son

‘People often say that non-fiction books read like fast-moving thrillers, but this one genuinely does... This is a splendid book – and highly recommended.’ Daily Mail A remarkable piece of investigative journalism into one of the most pervasive and troubling mysteries of recent memory.

The Disappearing Act: The Impossible Case of MH370

Have you ever wondered how Christianity became accepted as a world-wide religion? This study guide provides an answer to that question. It enables both student and scholars, an organized, in-depth approach to both understand the accomplishments of Paul’s work, and the resource of an application of his teaching to one’s own Christian life.

The Life and Work of Paul: a Study Guide

This is the world of the submariner. This is life under pressure. What’s it like to spend three months without sunlight, sharing what little space you have with over a hundred fellow crewmen and more firepower than all the bombs dropped in World War II combined? This is the world of the submariner. This is life under pressure. As a restless and adventurous eighteen-year-old, Richard Humphreys joined the Royal Navy submarine service. For five years during the Cold War, he served on the nuclear sub HMS Resolution. Nothing could have prepared him for life beneath the waves. He existed in a world without natural light, surrounded by 140 other men, all eating the same food, breathing the same air, smelling the same putrid smells and surviving together in some of the most forbidding conditions imaginable. Based on Humphreys’ firsthand experience, *Under Pressure* is the candid, visceral and incredibly entertaining account of what it’s like to live, work, sleep and eat—and stay sane—in one of the most extreme man-made environments on the planet.

Under Pressure

An act of treason reverberates from Indonesia to the British Embassy in this thriller of political espionage from the #1 New York Times–bestselling author of *Alive*. After an appalling act of sedition results in the mass slaughter of Indonesian guerillas in the jungles of Borneo, suspicion of treason falls on charismatic Cambridge graduate Willy Ludley. A brilliant junior diplomat at the British Embassy in Jakarta, Ludley has disappeared to the South of France. Simon Milson, an old friend, is enlisted to find him and extract a confession. Not a formal investigation, he reasons. Perhaps more like a game. But when Milson arrives at Ludley’s villa in Nice, he’s startled to find more players than he anticipated, each with an unknowable agenda: Ludley’s tormented but devoted wife; a closeted gay friend from Cambridge and his grossly flirtatious new American fiancée; and a teenage runaway who has mysteriously attached herself to all of them. Over the next couple of days, as loyalties shift, sexual temptations become a weapon, and betrayals are exposed, the truth behind a treasonous act will be just one more revelation at the Villa Golitsyn. “As if a story dreamed up by Eugene O’Neill had been dramatized by John le Carré,” *The Villa Golitsyn* is part espionage novel, part thriller, and part tale of political and sexual intrigue (*The New York Times*). It delivers, above all, “a tightly woven story of jealousy that holds the attention to the very end” (*The Sunday Times*).

The Villa Golitsyn

This is a study guide for small group or personal use that goes through the Book to the Philippians.

Paul to the Philippians

The history of Catholicism is the history of Christian faith. Anthony E. Gilles traces its development—from

its beginnings in hushed gatherings within the Roman Empire to its current size and influence—in an accessible and enjoyable style. A revised and updated compilation of the history volumes from his best-selling People of God series, this book will help you understand how the Church developed in relation to, or in rebellion against, the larger culture. It details centuries of crucial turning points from the development of apostolic succession to the implementation of the reforms of Vatican II. Complete with maps, timelines and special \"focus\" sections on important events and issues, this valuable resource belongs in the collection of every student of Church history.

People of God

Jonas works for the UK secret service as an intelligence analyst. When his father is kidnapped and held for ransom by ISIS gunmen in Syria, he takes matters into his own hands and begins to steal the only currency he has access to: secret government intelligence. He heads to Beirut with a haul of the most sensitive documents imaginable and recruits an unlikely ally – an alcoholic Swiss priest named Father Tobias. Despite barely surviving his previous contact with ISIS, Tobias agrees to travel into the heart of the Islamic State and inform the kidnappers that Jonas is willing to negotiate for his father's life. When the British and American governments realise they may be dealing with betrayal on a scale far greater than that of Edward Snowden, they try everything in their power to stop Jonas, and he finds himself tested to the limit as he fights to keep the negotiations alive and play his enemies off against each other. As the book races towards a thrilling confrontation in the Syrian desert, Jonas will have to decide how far he is willing to go to see his father again.

Beside the Syrian Sea

The Death of a Pope is a powerful new novel by the acclaimed British writer Piers Paul Read. Juan Uriarte, a handsome and outspoken Spanish ex-priest, seems to be the model of nonviolence and compassion for the poor and downtrodden. So why is he on trial, accused of terrorist activities? His worldwide Catholic charitable outreach program is suspected of being a front for radicals. The trial is covered by Kate Ramsay, a young British reporter, who sets out to undercover the truth about Uriarte and his work. She travels with him to Africa to see his work first hand but soon finds herself attracted to him. Meanwhile an international conspiracy is growing, one that reaches into the Vatican itself. When the death of Pope John Paul II brings the conclave that will elect Joseph Ratzinger as Pope Benedict XVI, a terrorist plot involving blackmail, subterfuge, and mass murder begins to fall into place... a plot that could spell disaster for the Catholic Church and the world. Piers Paul Read's powerful tale combines vivid characters, high drama, love, betrayal, faith, and redemption in a story of intrigue, of church espionage, and an attempt to destroy the longest continuous government in the world - the Papacy. The Death of a Pope races toward an unexpected and unforgettable conclusion.

The Death of a Pope

The Travels of Sir John Mandeville is the chronicle of the alleged Sir John Mandeville, an explorer. His travels were first published in the late 14th century, and influenced many subsequent explorers such as Christopher Columbus.

The Travels of Sir John Mandeville

On 26th April 1986 the nuclear reactor of the fourth unit of the V.I. Lenin power-station at Chernobyl exploded. It was a catastrophe of historic proportions - many millions suffered, and continued to suffer, from the consequences.

Ablaze

TRUE STORIES. On December 22nd 1972, the world discovered that sixteen of the forty-five passengers of the Uruguayan Air Force Flight 571 that crashed in the Andes seventy days earlier were still alive. Pedro Algorta has never spoken of his experience but he breaks his silence of over 40 years and gives a first-hand account of one of the most incredible stories of human survival and team spirit. Pedro delves into how he personally lived those seventy days in the cordillera, the day-to-day struggle to survive, and how with difficulty, a lot of hard work and strong team spirit the group created a survival machine in the mountains. Each one of us has our own mountain - our own story - and understanding it helps us make sense of our path in life and to see the way ahead. We are all capable of surviving our Andes.

Paul and Jesus

With a scholar's mind and a pastor's heart, N. T. Wright helps us learn from Paul's writing in Phillippians the art of seeing God's purposes working out through problems and difficulties, and deepen our own confidence in God's power. Includes eight sessions for group or personal study.

How to Study

The voyage began in the lunar terrain of the Peruvian Andes, where coca leaf is the only remedy against altitude sickness. It continued down rapids so fierce they could swallow a raft in a split second. It ended six months and 4,200 miles later, where the Amazon runs gently into the Atlantic. Joe Kane's personal account of the first expedition to travel the entirety of the world's longest river is a riveting adventure in the tradition of Joseph Conrad, filled with death-defying encounters: with narco-traffickers and Sendero Luminoso guerrillas and nature at its most unforgiving. Not least of all, Running the Amazon shows a polyglot group of urbanized travelers confronting their wilder selves -- their fear and egotism, selflessness and courage.

Into the Mountains

The wind and snow blow so hard, you can't see your hand in front of your face. Your heating fuel is nearly gone, and so is your food. How do you survive? Five fourteen-year-olds face this desperate situation on a deadly journey in Antarctica. It is 2083. They are contestants on a reality TV show, Antarctic Survivor, which is set up to re-create Robert F. Scott's 1912 doomed attempt to be the first to reach the South Pole. But in 2083 reality TV is not just an act. Contestants literally relive – or die during – the simulations of events. Robert Scott and his team were experienced explorers and scientists, but their attempt to reach the Pole proved fatal. What chance does the Antarctic Survivor team have? This action-packed, riveting adventure – full of fascinating direct quotes from Scott's journals and other accounts of the expedition – is both a heart-wrenching drama from the past and a disquieting glimpse into the future. Ages 12+

Philippians

Set in the aftermath of a harrowing plane crash, this is the true story of one young boy's fight for survival in nature's most treacherous conditions.

Synchronicity: One Man's Experience

'I will never forget my first sight of the river in Varanasi, from the narrowness and constriction of the alleys, thronged with activity, to the sudden release of the waterfront, the labyrinth's end . . . It seems that all of life has its assigned place on the stone steps leading down to the Ganges. Some are used for bathing, others for laundry, washing buffalo, puja (worship, ceremonial offering), and this one for the business of death. The smells are of wood smoke, buffalo dung, urine and jasmine flowers. The sounds are of rustling kites and lowing cattle, crackling wood and prayer. . . 'Piers Moore Ede first fell in love with Varanasi when he passed

through it on his way to Nepal in search of wild honey hunters. In the decade that followed it continued to exert its pull on him, and so he returned to live there, to press his ear to its heartbeat and to discover what it is that makes the spiritual capital of India so unique. In this intoxicating 'city of 10,000 widows', where funeral pyres smoulder beside the river in which thousands of pilgrims bathe, and holiness and corruption walk side by side, Piers encounters sweet-makers and sadhus, mischievous boatmen and weary bureaucrats, silk weavers and musicians and discovers a remarkable interplay between death and life, light and dark.

Running the Amazon

A thrilling, challenging and ultimately faith-strengthening story, which will inspire you to seek deeper understanding of the very roots of what you believe. Suppose Christ did not rise from the dead? What would be the implications for those who have devoted their lives to his service? These are the chilling questions posed by Piers Paul Read, one of Britain's finest contemporary novelists, in *On the Third Day*. This is the 'desert island' book of Christian writer and Telegraph columnist Anne Atkins. In a new introduction, she recommends the novel to all Christian readers.

Surviving Antarctica

Written by a fourteenth-century cleric, this spiritual allegory explores man in relation to his ultimate destiny against the background of teeming, colorful medieval life.

Catalog of Copyright Entries. Third Series

Archaeologists in Jerusalem make a revolutionary discovery in this “beautifully written” thriller from a #1 New York Times–bestselling author (Ruth Rendell). John Lambert, Catholic priest and professor of biblical archaeology, returns to London from an archaeological dig in Israel—and not long after, he’s found dead, hanged in his room. It’s only the first shocking discovery for his assistant, Andrew Nash, a young friar. The second is the reason for the spiritual disillusionment that led his mentor to such a desperate act: irrefutable evidence of the skeletal remains of Jesus Christ excavated under the Temple Mount in Jerusalem’s Old City. The find could shake the core doctrine of the Catholic Church and destroy the very foundation of the Christian faith. But it also poses a grave threat to Nash and his associate, Israeli archaeologist Michael Dagan—because they’re not the only ones scrambling to piece together the clues to this ancient mystery. In their shadow are the KGB, the Israeli Secret Service, and an ambitious American cardinal. But are they collaborators in a diabolical hoax or coconspirators in a cover-up of the most damning discovery in history? The answer “chills the blood and makes the hair stand on end . . . confirming Read as one of our strongest novelists” (The Independent). “It’s hard to imagine a more provocative thesis,” said the New York Times of this forerunner to the biblical conspiracy thrillers of Dan Brown and Kate Mosse. *On the Third Day* is “an enthralling read—touch[ing] upon a number of current theological controversies” (Kirkus Reviews).

Crazy for the Storm: A Memoir of Survival

The Life of Paul - An archenemy of the early Christians who became a great Christian missionary and the author of thirteen books in the New Testament. Paul's letters speak profoundly to us centuries later as the inspired word of God. The study brings to life the struggles and circumstances of Paul's life, his courage in the face of persecution, and his relentless mission to spread the good news of Jesus. Capitalizing on the recognized excellence of Rose's visual elements, Rose Visual Bible Studies are packed with charts, graphs, images, and fascinating facts. These Bible studies are easy enough that the new believer understands, but in-depth enough that the longtime churchgoer still comes away learning something new.
