Love Poems and Sentiments

Love Poems And Sentiments, is an embodiment of loves simplicity and innocence, expressing those possibilities, which exist within the embraced longed feelings for love.

Somewhere, Sometime, Somehow

These poems and short stories are arranged in chronological order as they were inspired by a long-term love affair and written from 1989 to 2007. For the perceptive reader one can trace the ups and downs of our relationship. These 18 years were filled with love and passion. Perhaps it was fantasy; perhaps it was the most real thing we will ever experience. These inspired poems were written mostly during the first ten years. As it became obvious that my dream would never come true, the inspiration dwindled and fewer poems were written in later years. The heartbreaking part of this 18 year love affair is that I am not sure my lover ever really understood or appreciated my unconditional deep love for her. I opened my heart to her through poetry, but I never knew what was in her heart. Perhaps it was a one-sided love affair, but I think and hope not. I was convinced that she loved me through her words and actions. At least I experienced a love that I had only dreamed possible. Each image carefully placed in this book carries a very special meaning for the poem and for our love journey. Even the clock photo carries a meaning related to the untimely death of US. Each word is carefully chosen to convey my feelings. While I tried to express my love in poetic words, there was an enormous amount left unsaid. I can only hope you find meaning and joy in the thoughts and feelings these words convey to you. A fuller story of this passionate love affair will be unfolded in an upcoming book.

Love Notes has it all: a collection of poetry as diverse as the experience of falling in love itself. A shared candied apple, a farewell at Paddington Station, a name scribbled in a notebook, a face that leaves us breathless, a single word that changes our life forever. By Gone Love

A SNEAK PEAK BY GONE LOVE is a book of poems that was written between the nineteen sixties and nineties. A few new poems have been added to the collection. Here's hoping that these poems will bring sweet memories to lovely old gals again, reminding them of yesterday's dreams as they did to this eighty year old writer when she found them tucked away in old books and cabinets. These poems were old, yellowed and falling apart, but like beautiful memories they were restored with love and tender care. A special song, dream, a picture, a lock of hair, a pressed flower or a smile upon a grandchild's face, any one of these things can take us back to the days when we were young, wild, crazy and so much in love. Also the reminiscing of yesterdays dreams, antics, hopes and loves of yesteryear. Inside this book you will find poems such as Bye Gone Love, My One and Only, Teenage Love, Good-Bye, F.Y.R, First Love, The Love of My Life And A Rose So Red. May these poems bring back beautiful memories and warm old hearts again. BEATRICE KINCY WATSON

Tears of a Wanderer

If there is one word to explain this poetry collection, it is life: these are poems about being teased in school, poems about being grounded as a child, even poems about driving a truck. And of course, there are love

poems a lot of love poems. But where there are love poems, you will find break-up and loneliness poems. The book's title, *Tears of a Wanderer*, applies to the author. She spent most of her life wandering and running away from problems. But now, she has dried her tears. She knows that there's no place like home. As I tell my story I hesitate. I hope you can see past the walls. As I sit and contemplate, The tears of a wanderer fall.

Goldmine

Love is Eternal, the third book in a literary trilogy by author and poet Vicki Case, depicts one woman's epic journey into the depths of darkness and back. Once in our lives someone comes along who is undeniably the love of our lives and our soul mate. Loved with a love so pure and true; that it is rarely, if ever found twice in one's lifetime. A promise made by your love and soul mate is accepted in good faith. Case's love and soul mate made her only one promise, and then he broke it, leaving her heartbroken, shattered, and desperately needing to understand why. Concluding a truly beautiful love and relationship in this manner, with no explanation, was selfish and insensitive and took away any means of closure for Case. She spiralled into the depths of depression as a result of her loss and grief. Even so, there was a light at the end of the tunnel; she found solace and the healing power of words in poetry, now chronicled in *Love is Eternal*. I have published my words So they might reach you One day you will realise What you need to do The words in my poems Come from my bleeding heart The power of my words Come from us being apart To a beautiful paradise You lost the key It was lost the day You walked away from me

"From Here To There" A Journey In Love Poems and Letters is a very personal collection of poems and letters written by Alexander Michaels over the years. It covers a personal journey spanning a range of emotions from happiness to sadness and back to happiness, from love to un-love, and from unloved to loved. A personal journey that will surely resonate with many readers of this work. It reflects real life feelings, both good times and challenging times. "For how can you learn how to be happy, when you do not know when or what has made you unhappy?" "And how can you appreciate true happiness, when you have not experienced true unhappiness?" One is a reflection of the other. And it is in seeing and admitting the existence of both sides of the reflection, that we can make a conscious effort to decide which part we want to live and which part must remain simply, a reflection. This book of love poems and letters will give you an insight into both sides of the reflection.

Love Notes You'll Never Read

Poet Bob Casey in his book The Wanderer: A Poetical Journey takes the reader on a journey of introspection and self-realization. Likewise, you travel with him to distant countries. Humor, romance, love, adventure, and poignant observations are woven throughout. The book's key sections include Life, The Eternal, Beauty, and Love. The final section takes you on a poetic journey around the world. Even those who never plan to leave their easy chairs will enjoy his poems, comments, and recommendations about New Zealand, Australia, Bali, Singapore, and Frankfurt. The Wanderer differs from many poetry books in that the poet provides relative supportive information regarding each poem. You will be challenged and moved to examine your core beliefs. Bob's writings delve into commonly shared topics including the observable and the unobservable, the simple and the complicated, and the physical and the spiritual. As one reader proclaimed, "Bob's poetry is written for the common person. You feel better when you are finished. It's intelligent, yet soft and honest. Your comments that accompany are wonderful. They help us to understand and trust you. It is particularly interesting to me because your poems seem to be living, continuously offering New Hope to your reader."

The Wanderer

Poetry. In *NOTES FOR A LOVE POEM* we listen to the magnificent ruminations of an insomniac, the blue hours around 3 a.m. fermenting du Passage's sensuous Southerner imagination. Her nightscape of Mozart and *La Traviata* when the quiet is her companion. Can the poet's anxiety be alleviated by her defiant love poem for Gérard, her husband for decades, now remarried? "You tell me orchids grow wild / all around your house

/ you share with your love / in Thailand now.\" Thailand, a world away from Mary in Louisiana. The NOTES have a wonderful rambling quality, freewheeling, as if we are privy to the poet's thinking, as if there is nothing not poem-worthy -- her Honda, her death wish, a catalogue's silk scarves, a friend's breast cancer. She serves pomegranate ice cream with Jane Austin, underscoring the nature of our lives, in its mix of the mundane and the exalted. The reader experiences so much pleasure as we taste the era du Passage writes from, sprinkled with the piquant flavors of the French language and heritage. Post-it-notes of the sublime.
