Fundamentals of Qualitative Research Methods: Data Analysis (Module 5) - Fundamentals of Qualitative Research Methods: Data Analysis (Module 5) by Yale University 369,909 views 9 years ago 17 minutes - Qualitative **research**, is a strategy for systematic collection, organization, and interpretation of phenomena that are difficult to ...

Fundamentals of Qualitative Research Methods

Overview of the modules Goal: To enhance our capacity to conceptualize, design and conduct qualitative research in the health sciences

What are codes?

What is a code structure?

Example from the literature
Purely inductive, grounded method
Start list method
An integrated approach
Coding is an iterative process
Be flexible in refining code structure
Closing comments
Fundamentals of Qualitative Research Methods: Interviews (Module 3) - Fundamentals of Qualitative Research Methods: Interviews (Module 3) by Yale University 243,660 views 9 years ago 22 minutes - Qualitative **research**, is a strategy for systematic collection, organization, and interpretation of phenomena that are difficult to ...
Fundamentals of Qualitative Research Methods
Overview of the modules
Major qualitative study designs
When to use in-depth interviews
Sampling for interviews
Framework for the interviewer
Example from the literature
Question and purpose
Good rapport is imperative
Introduce the study and goals
Focus on interviewee
Things to avoid
Tips for a good interview - Know your interview guide and potential probes well
NIH Behavioral and Social Sciences Research Festival 2019 - NIH Behavioral and Social Sciences Research Festival 2019 by Office of Behavioral and Social Sciences Research 89 views 3 years ago 5 hours, 48 minutes - The NIH **Behavioral**, and Social **Science Research**, (BSSR) Festival highlights exciting **research**, results, emerging areas, and ...
